Starting in May, 2017, our Music Workshops (Tasnif Khani - کارگاه هنر) have been divided into “Monthly Sessions”, with each session dedicated to one “Persian Dastgah”- دستگاه, allowing more time to study the basics , and review important characteristics of each Dastgah شناخت نظری و عملی موسیقی ایرانی - دستگاه

Two class in each month, will be dedicated to Poetry workshops (زبان و زیبایی شناسی شعر) continuing with Music. We encourage everyone to attend both to experience the full effect.

In addition to music and poetry workshops there will be other complementary practices such as Daf, Setar each month to follow the (Tasnif Khani - تصنیف خوانی) to enhance the sense of rhythm and for people who love the instrument.
