Learn about this traditional Persian celebration with a short slideshow presentation by History Professor, Dr Mariam Moezi

- **Art Exhibition by Nava Behnam**  
here is her story

Nava Behnam: "This year I have been exploring the theme of origins. I visited my homeland Iran for the first time in 23 years and I made a short film that I will be showing. I also have been reflecting on my spiritual origins through my painting practice, which has culminated in my exhibit "I Am Divine."

Art Collectors please visit Nava's website [www.navabehnam.com](http://www.navabehnam.com)
